

## **Breakthrough**

*When the sun rises at the dawn of that new day*

*What will be your state of mind*

*When you are awoken*

*From your current state*

*Of being isolated, quarantined*

*Greeting loved ones thru computer screens*

*Being alone*

*Being apart*

*Being far away*

*But close at heart*

*Apart together, not taking that chance*

*Being engineered to keep your distance*

*What will be your master plan*

*Where were you*

*What did you do*

*How did you use the time that was advanced to you*

*Was it used wisely or was it seemingly used in vain*

*When the sun rises, and you reemerge*

*Will anyone know your name*

*Deliberated, venerated, mesmerized or undecided*

*What will be your breakthrough, your relevance, your reason*

*Would you have sown, and now prepared to face the reaping season*
